RE: Letter of Reference

It is my pleasure to write about Alex Grosset and her tenure with Fusion Business Solutions.

In her role as Accounting Assistant/Bookkeeper, Alex worked effectively with other co-workers, making her not only a great addition to the team but also giving guidance and direction where needed. Alex gained the highest respect from her co-workers and fulfilled her role with distinction. In addition to her bookkeeping skills, she has excellent written and verbal communication skills and works very well both independently and in a team.

Whilst at Fusion Business, Alex also took care of some client matters and from what was a somewhat a cumbersome environment to something very plausible and workable.

With her abilities, adaptability, and dedication, Alex will make a great addition to any company she will join. I have no doubts you will be exceptionally pleased if hiring her. If you have any questions, please feel free to contact me at the above number.

Sincerely,

Tertius Genis
